MAJOR ABBREVIATIONS

CONDITION

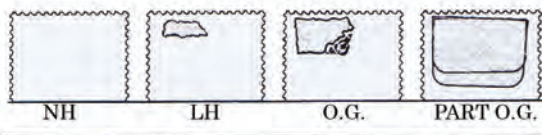

The various gradings of stamps are, in order; superb, extremely fine, very fine, fine. In the case of sets, large blocks, sheets, etc., the condition quoted represents the average, and quality above and below this standard can be expected.

Mixed Condition: In large lots, the condition is generally expected to range from fair to at best fine. Serious defects can be expected.

Handstamp on reverse: Denotes either a dealer, collector or indecipherable expert's mark.

Signed by: Denotes either the actual signature or mark of the expertiser. The absence of mentioning a signature does not reflect on the ability or knowledge of the party involved

GUM:

Shaded portion can represent an actual hinge or the area disturbed by a hinge.
n.h. = Never Hinged – unused with original gum in Post Office state and unmounted.

l.h. = Lightly Hinged – unused with full original gum showing some evidence of a previous hinge which may be present in part or entirely removed.

o.g. = Original Gum – unused with original gum somewhat disturbed by previous hinging which may still be present.

part o.g. = Part Original Gum – unused with original gum, large hinge remnants may or may not be present.

Ungummed = Unused without gum, as issued.

BLOCKS OR SHEETS AND THEIR GUM: Minor separations are the rule rather than the exception, in the case of blocks or sheets of any size. A few separations, around four perfs. per row, do not affect the value of a block or sheet and are not grounds for the return of a lot.

CATALOGUE VALUES: The final column shows the catalogue value of the lot.

ESTIMATED VALUES: If the estimated cash value is given, it is indicated by the abbreviation "Est. Cash Val.". It is used where the lot is large or where the actual value has little relation to the catalogue price. It represents the auctioneer's opinion of the MARKET value of a lot.

PLEASE NOTE – CREDIT CARDS and BANK FEES : A 3% Convenience Fee will be charged to credit card and PayPal users and buyers must pay ALL bank fees for Wire transfers including those charged by Intermediary banks.

OVERSEAS BUYERS: We require that payment be made in U.S. dollars made payable on a U.S. bank.

VALUATION OF LOTS are available upon request.

GUM DESCRIPTION

COVER CONDITION

Cranston Holman

1907 – 1993

Harmers International is honored to offer the collection of Dr. Cranston Holman. Dr. Holman was a Tennis player who embarked upon a second career as a world-renowned thoracic surgeon and was one of the pioneers of heart-lung transplants. In the 1920's Cranston Holman supplemented his studies at Stanford University by playing tennis. In 1925 he was ranked U.S. number 8 singles player by United States Lawn Tennis Association (predecessor to USTA). He was the first West Coast player to win the National Junior Championship. In 1930 he won his final title at the Mid-Pacific Championships in Hawaii beating Jiro Sato and decided to retire from Tennis to focus on his medical career.

He served his country with distinction in the Pacific during World War II as a surgeon; receiving a Bronze Star for his tireless work. After the War, he affiliated with New York Hospital and Cornell University Medical College, where he remained until his retirement in 1975. On December 25, 1969, Dr. Holman became part of medical history when he and Dr. C. Walton Lillebel led a team of twelve doctors who performed the first heart and lung transplant. This procedure has saved over 70,000 lives.

Dr Holman was an avid worldwide collector and enjoyed relationships with many notable dealers and collectors, including the Russian-born American author and philosopher Ayn Rand (noted for her novel Fountainhead). Parts of Ms. Rand's material entered Dr. Holman's Collection. Harmers International will be offering his material here and in our next sale.

Dearborn's letter informs Linnard that officers are not allowed any more furniture than an regular soldier.

\$250 - 300

This Letter is addressed to Reverend Dr. Daniel Burton. Burton was the Secretary of the Society for the Propagation of the Gospel in Foreign Parts. This letter was sent by John Milner, who was a missionary of the Society for the Propagation of the Gospel (SPG) sponsored by the Church of England in Westchester, New York, from 1761 to 1765, when he resigned after being accused of being a homosexual. He was an outspoken Loyalist and served St. Paul's in Eastchester, St. Johns in Yonkers and sometimes in New Rochelle and Rye. He was quite a colorful and controversial character. He moved to Virginia and repeated his non-pastoral conduct. Forced to leave, he ended his days in England.

7 **LIVERPOOL TO PHILADELPHIA, Complete folded letter date-lined 27 Oct 1812**, making reference to the U.S.S. Constitution vs HMS Guerriere battle on August 19th where she attained the famous name "OLD Ironsides" We quote, "... We have heard of the Capture of the Guerriere Frigate which I think must have been a well-fought action, also the surrender of the brave General Hull who I think deserves nothing more merciful than a good tarring and feathering for his conduct." The rest has to do with selling watches. We think the author, Lewis Vernon, got it wrong with the reference to Hull. The letter was hand carried.Est. Cash Val. \$250 - 300

One of the prettiest covers we have seen of this issue. Sent from an icon of philately, Augustus Dietz who was a writer and editor for the Virginia Philatelist and The New Southern Philatelist. He won the Lindenberg Medal, the Luft Award, and the Lichtenstein Award and, in 1964, was inducted into the APS Hall of Fame. Dietz originally sent the cover containing some treasure to Robert Nelson and upon Dietz death, Nelson returned the cover to the Dietz family as the accompanying note from Robert details.
A great piece by itself, but its connection to Augustus Dietz is a wonderful bonus.

Welcome. It's nice to see you here. In this era, where practically everything is virtual, you choose to pick up a physical copy of the Harmers International catalogue. That is probably because you like the real deal. The feeling of paper between your fingers, the smell of the ink, the act of turning a page. Sometimes it is better to experience a product in its purest form.

BOSTON 2026 WORLD EXPO

**The Harmer family looks forward to
seeing seeing you at our booth.**

There are many firms named Harmer, but there's only one Keith.

We know it's hard to keep straight all the great philatelic auction firms bearing the storied Harmer name. (Heck, we sometimes have difficulty ourselves.)

All of them descend in one way or another from the proud tradition established over a century ago in England by Keith's grandfather, the legendary Henry Revell Harmer. A tradition marked by integrity, expertise and a passion for helping build great collections that Keith, Joan and their family are justly famous for.

So why not entrust your needs to the living embodiment of that tradition? Whether you're ready to buy or sell, whether you're just re-starting your philatelic journey or have been at it for decades, Keith and Joan will be happy to assist in any way they can. You might even say it's what they were born to do.

CONDITIONS OF SALE

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THE CONDITIONS OF SALE

BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed catalogue applicable to such auction (the "Catalogue"). Harmers International, Inc. (hereinafter "Harmers"), as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be constructed. Harmers reserves the right to withdraw any lot prior to the commencement of bidding (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot and to group two or more lots belonging to the same consignor or vendor. Harmers has the right to refuse any bid believed not made in good faith, demand a cash deposit from anyone prior to bidder registration, or demand payment at the time the lot is knocked down to the highest bidder for any reason whatsoever. Harmers requires new customers submit a bidders registration form at least ten (10) days prior to the auction.
2. The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders, the auctioneer, in his sole discretion, shall determine who is the successful bidder and whether to re-offer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive.
3. **On all lots sold, a commission of 18% on the hammer price is payable by the buyer to Harmers.**
4. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, notwithstanding whether such errors or omissions are those of the bidder, the bidder's agent or the auctioneer.
(b) All lots are offered subject to a reserve price. The auctioneer, at his discretion, may implement such reserve price by bidding on behalf of the consignor vendor.
(c) It may also be assumed that all consignors have been advanced monies against the sale of their stamps and Harmers therefore has a security interest over and above the auction commission.
(d) Purchase made by a consignor or vendor or his agent on his own lots shall be considered as a sale and shall be subject to commissions and sales tax as set forth in these Conditions of Sale.
(e) Agents are responsible for all purchases made on behalf of their clients, unless other arrangements have been confirmed by Harmers in writing prior to the auction.

A late payment charge of 2% for the first month and 2 1/2% for each succeeding month compounded shall be added and Harmers will charge on-file credit cards if payment is not made in accordance with aforesaid conditions.
(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Harmers may, at its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty at such time at Harmers, at its sole discretion, deems appropriate.
